

VILLAGE HALL

Thanks to much hard work by members of the Village Hall Committee in obtaining the necessary funding, arrangements are well in hand to further improve the facilities at our lovely Village Hall, work on which will be starting very soon; it's to be hoped that this will result in increased usage of the Hall by way of more private bookings.

The event of every year in Burstall is, of course, the Burstall Show, and last year, incredibly, was its 70th; it was an amazing day, a huge success, once again thanks to hard work and commitment from lots of people. Work has already started on the planning and preparation for this year's event and, as always, help will be needed from members of the community at various stages of the process in order to make it a continued success story.
