

Village Hall report '25

Plans are well in hand, and funding applications progressing, towards completion of extensive work aimed at improving the facilities at our lovely Village Hall. The ultimate objective is to (hopefully!) increase the usage of the Hall, particularly by way of private bookings, which are currently on the decline, although the level o regular bookings remains constant.

Last year's Burstall Show was a fantastic success, achieving record-breaking profits, which is testimony to the tremendous amount of work put in by members of our community; however, it's a hard act to follow, but as this year is - incredibly - the 70th Burstall Show, it's expected to be bigger and better than before. This can't be achieved without help at various stages of the proceedings - before, during or after, whatever you can manage - from as many people as possible.
